

Local Team Wins Municipal Federation Championship

Kenny's Shoe Repair basketball team won the Championship in the consolation bracket of the Southern California Municipal Athletic Federation Championships, by trouncing Thrifty-D-Lux of North Hollywood by a narrow 62-60 win in a nip and tuck semi-final game, played at El Camino same floor, Sunday afternoon, Saturday, and by scoring an up- set 72-66, win over North Ameri- can Aviation Flight test five in the final game, played on the Tailors Team, of East Los An-

geles, took the measure of the San Pedro Dolphins, 76-71, to become Southern California municipal champs for the 1955-1956 season. Neno Felix hit 21 consecutive free throws and one two pointer lay in to be game high score man. Joe Mardesch meshed 13 points for the losers. Thrifty-D-Lux, with Eric Brown potting 24 points, battled the Torrance champs right down to the wire in their semi-final game, narrowing the 7 point bulge held by the winners, down to two points in the final 30 seconds of play. Bill Baron swished 21 counters to lead the winning attack. In their final game, the shoe-

makers piled up a 15 point lead in the first period which melted to a single point at halftime due to a 27 point flight test scoring outburst during the second period. The final outcome was in doubt all during the last half as the teams matched basket for basket, until the last four minutes when the locals pulled into a comfortable ten point advantage which withstood a last ditch surge by the aviators. Allen, playing a guard position for the losers, hit with deadly accuracy, on his long shots, hitting on nine of eleven attempts, from 25 to 30 feet out which, coupled with a six foot hook shot and a pair of charity

conversions, netted him a total of 22 points. Teammate Nick Virden also hit for 22 counters to share a three way tie for high scoring honors with Allen and Torrance's Bill Baron. Baron, top scorer for Kenny's in all of the tourney games, was ably assisted in the final game by all of his inspired teammates. Big Dean White hit for 9 points and cleared the boards like a vacuum sweeper. Little Avery Bryant picked up 11 and drove the opposition nuts with his ball hawking and elusive dribble work. Captain Harold Hoimes, laid in 14 sweet points. Fanny Markham got hot on his long set

shots, and totaled 16 points for second high honors. Dave Ruffell, who relieved big Dean for a short breather, played an exceptionally fine floor game, both on offensive and defense. Kenny's Shoe Repair was presented with a large sponsor's trophy and his team members received fancy pen desk sets in the basketball motif as the consolation winner's award.

GI Homes

World War II veterans who plan to buy a home are advised to do it now. The advice comes from the House Veteran's Affairs Committee. The deadline for qualifying is July, 1957. The committee has been told that a last-minute rush would overwhelm the nation's builders and cause a "terrific inflation" of building costs.

TOP PERFORMANCE—TOP ECONOMY. Nineteen strictly stock cars with automatic transmissions have just turned in top records in the toughest Mobilgas Economy Run ever driven.

These 1956 models, using the same Mobilgas Special you buy at your station, proved that economy can still be had with peak performance. This despite the fact that, on the average, horsepower is up 19.46% from last year.

TOUGH TEST. In 3½ days drivers covered a rugged 1468.9 miles of desert heat, mountain cold, and city traffic... altitudes from 203 feet below sea level to 11,315 feet. Official observers sat alongside Run drivers to be sure cars were driven at maximum legal speed, never "coasted," and all rules rigidly followed.

All types of weather and temperature were encountered to duplicate every condition the driver of any car is likely to meet in a year's time.

Rules for the Run are rigidly made, rigorously enforced. Impartial observers are provided by the independent Sports Commission of the United States Auto Club. This in turn is approved by the Federation Internationale de l'Automobile (F.I.A.), international supervising organization of automotive sporting events.

"PAR" FOR YOUR CAR. Every driver will find "par" for his car in the column at the right. It shows the best mileage each make can give when today's cars, today's gasoline, and competent drivers are challenged to "put out" their best.

HERE IS THE BEST MILEAGE OF EACH MAKE:

Buick Super Riviera	mpg 17.7
Chevrolet Bel Air Sport Sedan 6	21.1
De Soto Firefite Sportsman	17.8
Dodge Coronet 500 V 8	20.9

The Mobilgas Economy Run is a vigorous mileage test of cars that compete against others in the same price class. It is annually sponsored by General Petroleum Corporation as a public service to motorists.
